Passion for life

# Renault DUSTER

## Rediscover **the joy of driving**

---

The new Renault Duster comes with a new front exterior design combined with enhanced interior comfort and practicality. In addition, a range of advanced technological features have been included to deliver the highest level of satisfaction during every single journey. Renault Duster has been widely upgraded while retaining its very own model personality.

## Assertive **look**

---

The new Renault Duster features a new front-end with a redesigned grille, two chrome plated strips and new air intake. The double-optic front headlamps including daytime running lights enhance its unique character.

## Modern **interior**

---

More modern and ergonomic, the interior of the new Duster is adapted to suit its occupants and includes various new elements such as front electric windows with driver's one touch control, speed sensitive door locking, ISOFIX mounting points for child seat, but also two new accessible storages on the dashboard and a new instrument panel design.

## Topnotch **technology**

---

The New Duster provides advanced technology. The rearview camera enables you to detect and avoid potential obstacles. Also, with the cruise control / speed limiter, mastering and modulating the speed of your car has never been so easy. The new Media Nav 2.0 multimedia system gives easy access to highly practical features thanks to its 7" touch screen: 2D or 3D navigation, audio streaming, hands-free Bluetooth®.

## Optimized control & **safety**

---

New Renault Duster provides plenty of safety features: ESP (Electronic Stability Program), ABS (Antilock Braking System), Tyre Pressure Monitoring, ISOFIX for child seat, equipped with front driver and passenger airbags, driver seatbelt unlock alarm, three points rear seatbelts, three rear headrests, in addition to a central locking system (...)

## Robust design

---

Wide wings and a tall stature reveal its personality: the Renault Duster is suitable for in-town, motorway and track driving. Its upgraded front-end and its powerful design are a reflection of its sturdiness. An imposing look with an elegant style, feel confident with Renault Duster.
