

RENAULT
Passion for life

All-New Renault KADJAR

Be bold, be active

With fluid lines, an aggressive grille and athletic shoulders, the Renault KADJAR is boldness incarnate. Inspired, solid and sporty, it's by your side in whatever you do and is ready to venture into new horizons at the drop of a hat.

Strength of character

Offering sculpted and enveloping rear lights, a "C" shaped LED light guide on the daytime running lights, and light 17" and 19" alloy wheel rims, the KADJAR asserts itself with authority and distinction, proud of its innovative lighting signature.

Four-Wheel Drive Freedom

Change scenery and explore new sensations. Turn the selector knob, switch to Four-Wheel Drive mode and your crossover safely transports you into landscapes that will take your breath away. Raised ground clearance, aluminium roof bars, side protectors and front and rear skid plates are all part of the KADJAR crossover universe.

Urban adventure

Be adventurous every day and set out to discover the city in a new light.

With its ENERGY dCi 110 engine, its Stop & Start and regenerative braking system, the KADJAR is a top performer in consumption and CO₂ emissions (99 g of CO₂/km*), making it an eco leader.

* Fuel consumption and CO₂ emissions are certified using a standard, regulatory method.

Set off for new adventures with the Renault KADJAR

At the wheel of your new crossover, explore uncharted territory and new horizons. Safe, connected and user-friendly, the Renault KADJAR does away with convention: its efficient engines, multiple driving assistance features, its comfortable and bright interior, and its intelligent modularity make it the ideal vehicle for escaping.

Tailored grip Four-Wheel Drive transmission

Four-Wheel Drive* transmission. Faced with changing driving conditions? Just turn the selector knob and choose the most suitable mode. Three modes are available:

2WD: only the front wheels power the vehicle. Under normal driving conditions this optimises your consumption.

Auto: the system automatically adjusts the torque distribution and adapts the transmission of power between each of the front and rear wheels. This delivers optimal traction and safety.

Lock: a 50/50 split between the front and rear wheels is maintained below 25 mph on loose surfaces (earth, sand, mud, snow).

*Four-Wheel Drive transmission is available with the ENERGY dCi 130 engine.

Efficiency without compromise

The engines powering the Renault KADJAR are advanced, reliable and low on consumption. Fitted with the Stop & Start system with regenerative braking, they include a host of technologies (downsizing, friction reduction, latest-generation injection systems) that elevate them to exemplary levels of performance and consumption, all without sacrificing your driving pleasure.

ENERGY dCi 110 **Driving comfort**

The dCi 110 engine has a clear roadmap - to deliver performance and efficiency every day. Designed for drivers who want both economy of use and driving pleasure, it features for the first time steel pistons, which optimise performance by reducing friction. Paired with a six-speed manual gearbox, it is also available with the six-speed EDC dual-clutch automatic transmission. It is remarkably efficient: 99g of CO₂/km* and 74.3mpg*!

*Fuel consumption and CO₂ emissions are certified using a standard, regulated method.

EDC gearbox **Comfort, moderate consumption and technology**

This 6-speed automatic dual-clutch gearbox guarantees smooth, jerk-free gear changes. Dynamic and responsive, the EDC responds almost instantly to the slightest driver input. In terms of economy, its fuel consumption is similar to that of a mechanical gearbox. Available with the ENERGY dCi 110 engine, the EDC gearbox is ideal for an enjoyable and relaxed drive in all conditions.

ENERGY dCi 130 **Driving pleasure**

Both versatile and advanced, this engine is packed with the expertise of Renault's motor engineers. No need to compromise either performance for pleasure or driving sensations for consumption. The ENERGY dCi 130 is also available in a Four-Wheel Drive version.

ENERGY TCe 130 **Flexibility and control**

Flexible and responsive from low rpm, the Energy TCe 130 petrol engine delivers power with its turbo function and economy with its low consumption.

Connected control

The Renault R-Link 2 multimedia system delivers an enriched driving experience. Intuitive, ergonomic and touch-sensitive, the 7" screen is extremely easy to use. The graphic interface is similar to a tablet: move icons by tapping and dragging, or read by scrolling and zooming.

The new customisable home pages provide easy access to your favourite functions. Six different user profiles can be stored. At just the press of a button, everyone can restore their own personal navigation and multimedia settings, their activation of driving assistance function or the ambience of "their" dashboard.

Because it's connected, R-Link 2 gives you access to the R-Link Store and its range of apps dedicated to motoring. Also available is a whole host of services such as TomTom* real-time traffic info and driving assistance functions.

A veritable control centre for the vehicle's functionalities and featuring voice recognition, R-Link 2 optimises the on-board experience and introduces you to the delights of connected and personalised driving.

* For a limited period.

Model illustrated includes hands free parking

Assisting your motoring every day

Making your motoring easier, more relaxed, safer and more fluid is one of the Renault KADJAR'S missions. Its driving assistance systems make it a breeze to adjust your speed, keep straight, check blind spots, park or automatically switch to dipped or full beams depending on whether other vehicles are in the vicinity. With KADJAR, driving is as safe as can be.

Speeding alert with traffic sign recognition

The system helps you adapt your driving to road sign data captured by the camera. A visual alert is shown on your dashboard and suggests saving it as the value for the speed limiter.

Hands free parking

Tight spots have never been so easy to handle as with hands free parking. The system assesses the available space and defines the trajectory. Let it take control of the steering for hassle-free parking.

Blind spot warning

This system detects the presence of vehicles in your blind spot. It automatically alerts the driver using a light signal located on the front left or right door mirror.

Active emergency braking system

This system alerts the driver if there is a risk of collision with the vehicle in front. If the driver reacts insufficiently or not at all, the brakes are activated to prevent or mitigate a collision.

BOSE® Sound System

Explore new sounds

Delivering deep bass and treble frequencies for a realistic sound experience, the Bose® sound system turns the cabin of your crossover into a concert hall. Seven high-performance speakers and a subwoofer emit a panoramic sound, assisted by a specially configured digital amplifier. With clear tones, tight rhythms and subtle chords, the sound is rich, balanced and precise in the front and the rear. The Renault KADJAR is both a motoring and a musical adventure...

Versatility and practicality

Offering spaciousness, intelligent modularity and storage capacity, the Renault KADJAR offers a wealth of qualities. To push the boundaries, it includes the “One touch” easy folding system, which features handles in the boot to unlock and automatically fold down the 60:40 split rear seat. The two positions of the boot floor allow you to choose between a high position that forms a completely flat floor and a low position providing a load volume of 527 litres. The boot can also be divided into two or three spaces for smart and protected storage. Storage spaces are also in full force, with a 30-litre capacity spread throughout the cabin, making the on-board experience a breeze.

All-New Renault KADJAR
Start living.

EXPRESSION+

ARTEMIS - 16" steel wheels

Dark Carbon fabric upholstery

SAFETY AND SECURITY

- ABS with EBD - Electronic Brake Distribution and Emergency Brake Assist
- Airbag - front passenger deactivation facility
- Airbags - driver and front passenger two stage auto-adaptive
- Airbags - front and rear curtain
- Airbags - front lateral
- Assisted parking brake
- Cruise control and speed limiter
- Deadlocking and immobiliser
- ECO mode
- Electronic parking brake
- ESP (Electronic Stability Programme) with ASR (Anti-Skid Regulation) and UCL (Understeer Logic Control)
- Headrests - front - two height and adjustable headrests
- Headrests - rear - three height adjustable headrests
- Indicators with side repeaters

- Insurance approved alarm (Thatcham category 1)
- ISOFIX points on outer rear seats
- R.A.I.D. (Renault Anti Intruder Device) - automatic locking of the doors and boot over 6mph
- Seatbelts - front - three-point seatbelts with double pretensioners and load limiters
- Seatbelts - rear - three 3-point seatbelts with load limiters
- Seatbelts - audible alert when seatbelts are not buckled
- Side impact protection bars
- Tyre inflation kit
- Tyre pressure monitor

COMFORT AND CONVENIENCE

- Accessory power point
- Adjustable dashboard illumination
- Driver - height adjustable seat
- Electric front and rear windows
- Exterior temperature indicator
- Floor mats - front and rear
- Halogen headlights
- Heated rear windscreen
- HSA - Hill Start Assist
- Lights - boot and rear door lighting
- Manual air conditioning
- Multi-functional trip computer
- Socket - front - 12v socket
- Steering wheel - power assisted, height, rake and reach adjustable
- Storage - glovebox
- Trip computer and rev counter
- Windscreen wipers - front with variable speed adjustment
- Windscreen wipers - rear

EXTERIOR

- Body side moulding
- Door handles - body coloured
- Door mirrors - body coloured
- Front fog lights
- LED DRL - Daytime Running Lights
- ARTEMIS - 16" steel wheels
- Windows chrome surrounds

INTERIOR

- Display - digital speedometer (TFT screen)
- Front centre armrest
- Seats - rear 60:40 split folding
- Tinted windows
- Upholstery - Dark Carbon fabric

CONNECTIVITY AND SOUND SYSTEM

- Bluetooth connectivity
- Radio 4x20W DAB radio with fingertip remote control and AUX input
- USB connection

Official Fuel consumption figures are produced for comparison purpose and are measured according to the European Directive 80/1268/EEC. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit In Kind go to www.renault.co.uk

RENAULT

Renault Services

4 Years warranty and Renault Assistance

Your vehicle is covered by a warranty package for up to 4 years/100,000 miles (whichever comes first). The first 2 years are unlimited mileage, followed by a further 2 years up to 100,000 miles. Your dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for a period of 3 years and the anti-corrosion warranty for a period of 12 years.

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault dealer. This service is available 24 hours a day, every day of the year. Renault Assistance Cover provided from months 0 to 48 includes, assistance at the roadside and home, national recovery, onward travel with European cover from months 0 to 36 only. Cover includes mechanical or electrical defects covered by the warranty.

Servicing options

Take advantage of Renault's suite of Service Plans available over three or four years. The 3 year/30,000 mile (whichever comes first) Service Plan is available at the recommended retail price of £399 and the 4 year/40,000 mile Service Plan available at £599.

The Renault Service Plan covers the manufacturer's minimum service and maintenance programme requirements including parts, labour and VAT, but excluding normal wear and tear items such as brake pads, windscreen wipers or tyres for the period chosen.

Finance options

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault insurance

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault Genuine parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault Car Insurance:

0845 603 8256

www.renaultinsurance.co.uk

Lines open 8am – 8pm weekdays, 9am – 5pm Saturdays and 10am – 3pm Sundays. Calls may be recorded. All quotes are based on individual circumstance and subject to insurers underwriting criteria. Renault Insurance is arranged and administered by iGO4 Partners Limited which is authorised and regulated by the Financial Conduct Authority. Financial Services Registration Number 490061. Registered Office: Sundance House, Staniland Way, Werrington, Peterborough, PE4 6JT. Registered in England and Wales No. 6710272.

Customer relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on 0344 3350000 (Mon-Fri 9.00am to 5.30pm, except Weds 10.00am to 5.30pm. Closed on Bank Holidays). You can also visit our website www.renault.co.uk Or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.

All vehicles provided with 4 years' warranty and Renault Assistance as standard. For warranty exclusions refer to Terms & Conditions. For full Renault Warranty Terms and Conditions visit www.renault.co.uk/warranty. For Renault Assistance Terms and Conditions visit www.renault.co.uk/assistance. The Renault Service Plan covers the manufacturer's minimum maintenance programme requirements for the term and of the plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the servicing intervals and can only be carried out at a Renault Approved UK outlet. To qualify you must order and purchase the Service Plan from a Renault Approved UK outlet before the first service is due or 12,000 miles (whichever comes first). Cannot be part exchanged, refunded or transferred. Finance provided by RCI Financial Services Ltd, P.O. Box 149, Watford, WD17 1FJ. Guarantees and indemnities may be required. You must be at least 18 and a UK resident (excludes Isle of Man and Channel Islands) to apply. Subject to status, terms and conditions apply.

Extend the Renault KADJAR experience
at www.renault.co.uk

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
